Making Memories Beautiful...

As you begin to plan your outdoor wedding, the Greensboro Parks & Recreation Department invites you to consider one of our three beautiful gardens; Tanger Family Bicentennial Garden, The Greensboro Arboretum or The Bog Garden. The Gardens of Greensboro are open year-round, sunrise to sunset, and may be reserved for wedding ceremonies on a first-come, first-serve basis.

Tanger Family Bicentennial Garden is located at 1105 Hobbs Road, just north of Friendly Avenue. In the center of the garden, the wedding gazebo area can accommodate 70 to 100 guests. The garden includes a wealth of plantings from mass plantings of annuals and perennials, to flowering and canopy trees, providing a perfect background for memorable wedding photographs.

The Bog Garden is located at the corner of Hobbs Road and Starmount Farms Drive, across from the Tanger Family Bicentennial Garden. This unique natural preserve features an elevated wood plank walkway. The Bog Garden can accommodate small ceremonies for 25 to 70 guests. Senerity Falls provides a delightful backdrop for photographs.

The Greensboro Arboretum is located off West Market Street and Wendover Avenue. The wedding gazebo area accommodates 100 to 150 guests. This 17-acre garden features twelve permanent plant collections and special display gardens along with structural features, including a fountain, overlook, arbor, bridges and benches. Wedding guests will enjoy the year-round beauty of the garden.
